

Congress on the Corner

"Congress on the Corner" is an opportunity to visit one-on-one with Congressman Barrow and discuss the issues that matter most to you. Throughout the year, Congressman Barrow hosts "Congress on the Corner" meetings in towns and cities all across Georgia's 12th Congressional District, with local staff on hand at each meeting to help out on any problems you may be having with a particular government agency, such as the Social Security Administration, Medicare, or the VA. Feel free to come on by and visit with Congressman Barrow!
